Dreaming of moving to a nursing home one day?

We didn't think so...
Age at home with Avenues.

Avenues

BY BRIO LIVING SERVICES

Did you know that 7 out of 10 Americans will spend time in a nursing home during their lifetime?

Yet, 90% say they want to age at home through the end of life. Join us for an engaging educational series focused on how to successfully age at home, and how to start planning, often as early as your 60s, to make that vision a reality.

At Avenues, we know a thing or two about aging at home. Since our initial launch in 2011, ***every single Avenues member has remained at home***, living fully and independently, all the way through end of life.

We're excited to share what makes this possible.

Please join us for lunch!
