Dreaming of moving to a nursing home one day?

We didn't think so...
Age at home with Avenues.

Did you know that 7 out of 10 Americans will spend time in a nursing home during their lifetime?

Aging well is not about reacting to problems—it's about having a trusted team in place before you need them.

Avenues offers an exclusive, concierge-style, aging-at-home program designed for those who value personalized service, proactive planning, and peace of mind. Members receive tailored guidance, coordinated care, and ongoing support—all centered around living safely and confidently at home.

This is not traditional senior care.

This is a higher standard for aging.

Katlin Mills, MSW, has over a decade of experience helping individuals and families navigate important life transitions and proactively plan for the future. She began her career at Bethany Christian Services, where she developed a passion for guiding families through complex decisions and meaningful conversations. For the past seven years, Katlin has been with Brio Living Services, where she helps older adults and their families plan for the future with a focus on independence, aging at home, and long-term planning. Through education and consultation, Katlin helps individuals navigate the financial, emotional, and practical considerations that come with preparing for later life.
